Olajide Abdullateef Abioye, GMCPN

AAF Scholar | Computer Science Graduate | Exploring Data Science,
Machine Learning & AI | Skilled in Python and Data Analysis
Abeokuta, Ogun State, Nigeria

Summary

Olajide Abdullateef Abioye is a passionate Nigerian Computer
Scientist with a solid foundation in web development and a
growing interest in Data Science, Machine Learning, and Artificial
Intelligence. He holds a B.Sc. in Computer Science from the
Federal University of Agriculture, Abeokuta, where his curiosity for
technology and innovation began to flourish.

Olajide is an AAF Scholar, a JCI FUNAAB Alumnus who served as
the 2024–2025 Director of Finance, and a TIIDELab Alumnus, having
participated in an intensive software development bootcamp focused
on Artificial Intelligence. These experiences have strengthened
his technical expertise, leadership capacity, and passion for using
technology to drive impact.

Currently, he is exploring the dynamic fields of Data Science,
Machine Learning, and Artificial Intelligence, while actively pursuing
fully-funded master's opportunities to further his academic and
research ambitions. His goal is to contribute to AI research and the
development of data-driven solutions that address Africa's most
pressing challenges.

Driven by curiosity, discipline, and a vision for technological
progress, Olajide continues to seek opportunities to learn,
collaborate, and make meaningful impact through innovation.

I participated in TIIDELab's intensive software development program focusing on AI.

Through this program, I gained hands-on experience in HTML, CSS, and Python, developing a strong foundation in front-end design and AI-driven back-end technologies.

I honed my problem-solving skills through real-world projects, including the development of an Article summarizer app named BriefIT, and collaborative coding challenges.

As Assistant Class Governor and Team Lead for Tech Pioneers, I actively developed my leadership, communication, and project management abilities.

Earned top fellow recognition (Most Outstanding Fellow), securing awards, monetary prizes, and a scholarship to advance into a 6-month internship.
